# ANCIABP 2019

Translational Psychiatry - Molecules to Clinics. 20<sup>th</sup>-21<sup>st</sup> Sep 2019, DoubleTree by Hilton, Agra

## Esteemed Colleagues,

It is our great pleasure and privilege to invite you to join us at the **15<sup>th</sup> Annual National Conference of Indian Association of Biological Psychiatry (ANCIABP - 2019)** going to be held at Agra on **20<sup>th</sup> - 21<sup>st</sup> September 2019**.

Agra, the city of eternal love symbolized by Taj Mahal, provides a perfect setting for organizing this learning and rejuvenating event. Agra was once Mughal seat of power and has been a historical mine. Moreover, Agra has been a major historical center of Psychiatry too. The organization of this National Conference will make Agra more important.

The theme of the conference is **"Translational Psychiatry - Molecules to Clinics"**. Lectures, Interactive sessions & Asha Awards are being planned during the conference. The ANCIABP Scientific Committee and the Organizing Committee have compiled a well- balanced agenda with state-of-the-art professional highlights and social events to be remembered. The best-known luminaries in the field of Psychiatry will enlighten us with their dedicated work & vast experience. We promise an academic event, which will enhance your clinical acumen & psychiatry skills.

Your presence & participation in 15<sup>th</sup> ANCIABP is essential for its grand success and we hope that you will return back with fond memories of the event.

Let us start with imparting knowledge of wisdom that leads to the eternal peace.

**Dr. U.C. Garg**

Organizing Chairperson

**Dr. Anil Gaur**

Organizing Secretary

## Greetings from Indian Association of Biological Psychiatry

**15<sup>th</sup> Annual National Conference of Indian Association of Biological Psychiatry (ANCIABP - 2019)** for the current year is being held at Agra on **20<sup>th</sup> - 21<sup>st</sup> September 2019**, the theme being **"Translational Psychiatry- Molecules to Clinics"**.

IABP has been active in bringing state of art & latest knowledge base in the field of biological psychiatry to clinicians working in the field of mental health. The scientific committee has chosen the best of faculty from India. We wish to personally thank all the faculty members.

We wish to congratulate and express our best wishes to Dr. U.C. Garg & Dr. Anil Gaur for organizing ANCIABP 2019 at Agra.

# ANCIABP 2019

Translational Psychiatry - Molecules to Clinics. 20<sup>th</sup>-21<sup>st</sup> Sep 2019, DoubleTree by Hilton, Agra

## About Venue

### Doubletree by Hilton Agra

BH - 12, Taj Nagri Phase II, Agra, 282001, India  
TEL: +91-562-7102323

DoubleTree by Hilton Hotel Agra boasts an ideal location just minutes from the splendid palaces and marble mausoleums of the magnificent Taj Mahal. Visit Agra Fort, a UNESCO World Heritage Site which encompasses the beautiful imperial city of the Mughal rulers within its powerful, red sandstone walls. Explore the impressive ancient city of Fatehpur Sikri, home to a complex of monuments, temples, tombs and one of the largest mosques in India, the Jama Masjid. Escape to the tranquility of Ram Bagh, the oldest Mughal Garden in India, where waterways and pathways intersect the garden to represent the Islamic ideal of paradise – a lush, verdant garden through which rivers flow.

**Places to Visit** while in Agra for attending 15<sup>th</sup> ANCIABP 2019:

#### Taj Mahal

The Taj Mahal is an ivory-white marble mausoleum on the south bank of the Yamuna river in the Indian city of Agra. It was commissioned in 1632 by the Mughal emperor, Shah Jahan, to house the tomb of his favourite wife, Mumtaz Mahal. It also houses the tomb of Shah Jahan, the builder.

#### Agra Fort

Agra Fort is a historical fort in the city of Agra in India. It was the main residence of the emperors of the Mughal Dynasty until 1638, when the capital was shifted from Agra to Delhi. Before capture by the British, the last Indian rulers to have occupied it were the Marathas.

#### Itmad-ud-Daula

Tomb of I'timād-ud-Daulah is a Mughal mausoleum in the city of Agra in the Indian state of Uttar Pradesh. Often described as a "jewel box", sometimes called the "Baby Taj", the tomb of I'timād-ud-Daulah is often regarded as a draft of the Taj Mahal.

#### Tomb of Akbar the Great

Akbar's tomb is the tomb of the Mughal emperor, Akbar and an important Mughal architectural masterpiece. It was built in 1604–1613 and is situated in 119 acres of grounds in Sikandra, a suburb of Agra, Uttar Pradesh, India.
